

Hobart Airport Website Advertising Information

Hobart Airport's website has a range of advertising options for interested advertisers. Advertising options are in a consistent format throughout the site.

Advertisements need to be provided as GIF/PNG/JPEG images that are 166 pixels wide and approximately 192 pixels high. Advertisers should provide a URL that they wish the advertisement to click through to.

All advertisements will need to be submitted for creative approval before being displayed on the website.

For enquiries and costs, please contact info@hiapl.com.au.
