

Hobart Airport welcomes new Freight Services

Media Statement

25 Nov 2016

Hobart Airport welcomed today the announcement that Qantas Freight has been named as the exclusive air freight partner to carry VAN Milk's fresh Tasmanian dairy exports to Ningbo, China.

The operation which will operate from Hobart Airport is a significant project, and we congratulate VAN and Qantas on their partnership.

"This is an exciting aviation and export outcome for Qantas, VDL and Tasmania. We look forward to supporting its operations" said Rod Parry Hobart Airport CEO.

The Hobart Airport runway extension currently under construction will enable flights to go direct from Hobart once it is completed in March 2018.
