

Snapshots from our environmental journey

Offsetting
emissions from
staff travel

Two electric
Skybuses in fleet

Commitment to plant
one tree for each day
of operations

Solar installation in
the Administration
Building

Ongoing LED
lighting upgrades

Coffee grounds
from the terminal
composted

230,000 tonnes of
material recycled
and reused in
development

Virtual fence to
reduce roadkill

airport
carbon
accredited
REDUCTION

airport
carbon
accredited
NEUTRALITY

Installation of rapid
electric vehicle
chargers

Cultural burn of
grasslands
