Information for Taxi Drivers

Taxi drivers need to register to collect fares and exit Hobart Airport.

Drivers will be required to use an access card to enter and exit the commercial lane. The boom gates will automatically open with use of your HBA access card.

You will need to link a valid credit card via the ZipBy app. Instructions to register for your HBA access card are on page 2.

What you need to do:

- Register for an account on ZipBy.
- Connect your Zipby account to Hobart Airport and complete the application form.
- Application form can be found using the QR code on page 2.
- Once your application is processed, your access card will be available for pick up at the Valet Parking office.
- All cards issued attract a charge of $20.00.
- All replacement (lost or damaged) cards will be charged at $25.00.
