## PROUDLY SUPPORTING TASMANIA'S FINEST

### National Pies

In 1942, founder Alfred Gough, a local butcher, created a pie so 'proper' that it impressed even the gentry at Hobart's National Theatre. And so the national pie was born. With 128 layers of puff pastry wrapped around our butchers' best cuts of Tassie meat national pies have been a local favourite for over 70 years.

### Pigeon Whole Bakery

Baked locally in Hobart CBD, Pigeon Whole Bakers, have grown from humble beginnings, always looking for flavour, nutrition and ways to use grains in the most wholesome way, Pigeon Whole Bakers maintain a strong connection to the land they come from.
